

**For Qualifying Low-Income  
City Utility Customers:**

# **FREE Weatherization**

***Here's your chance to  
weatherize and  
warm up!***

*Energy efficiency is  
a great investment –*

especially when you don't have to pay for it!

That's why the City of Port Angeles is pleased to announce the new **Low-Income Weatherization Project** for qualifying City Electric Utility customers.

- The program will launch in late January.
- It's funded by the Bonneville Power Administration.
- Applicants must meet eligibility and income guidelines.
- Houses must be owner-occupied, single-family or manufactured homes.
- Houses must use electricity provided by the City of Port Angeles as their primary heat source and be structurally sound.
- Applying is simple, easy and confidential!

*Learn more by visiting [www.cityofpa.us/pwConserv.htm](http://www.cityofpa.us/pwConserv.htm)  
or call a City Utility customer service representative at 457-0411.*

***Keep your electric costs down and your comfort up!  
Your wallet will thank you when you're in your newly-cozy home.***
